TRAINEESHIP | TLI30122

# Certificate III in Mobile Crane Operations

Dogging, rigging and crane licences within one qualification

| QUALIFICATION | PATHWAY | AVERAGE DURATION | UNITS REQUIRED |
|---|---|---|---|
| TLI30122 | Traineeship | 36 months | 23 units |

## COURSE OVERVIEW

This qualification is designed for mobile crane operation within the transport and logistics industry and other industries. It involves a broad range of skilled applications applied in a wide variety of contexts.

Trainees also complete the Mobile Crane Industry Certificate Skill Set developed by the Department of Training and Workforce Development (see page 2).

## COURSE DELIVERY

Training and assessment is a combination of on-site training and classroom block training at an Australian Training Management training centre.

Students complete a student record book and unit-specific logbooks to record their workplace experience.

## ENTRY REQUIREMENTS

All students complete a Language, Literacy, Numeracy and Digital skills (LLND) assessment at enrolment. This helps us put the right support in place from the start. If you don't meet the entry requirements, we'll connect you with support services.

## FEES AND FUNDING

**Jobs and Skills WA:** Students enrolled through a traineeship may be eligible for funding through Jobs and Skills WA. This qualification is on the Lower fees, local skills course list for 2026. Eligibility conditions apply, and fees depend on the units selected. The Mobile Crane Industry Certificate Skill Set is also on the Lower fees, local skills list.

Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply, such as student services and resource fees.

**Construction Training Fund:** The CTF provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers. Grant payments are available for eligible employers, paid directly by the CTF. Visit ctf.wa.gov.au for more information.
