APPRENTICESHIP | RII30920

Certificate III in Civil Construction (General)

Broad civil construction skills, from utilities to plant and licences

QUALIFICATION	PATHWAY	AVERAGE DURATION	UNITS REQUIRED
RII30920	Apprenticeship	36 months	25 units

COURSE OVERVIEW

This qualification reflects the role of individuals working as skilled operators in civil construction, who apply a broad range of skills in varied work contexts, using some discretion and judgement and relevant theoretical knowledge.

COURSE DELIVERY

Training and assessment is a combination of on-site training and classroom block training at an Australian Training Management training centre.

Students complete a student record book and unit-specific logbooks to record their workplace experience.

ENTRY REQUIREMENTS

All students complete a Language, Literacy, Numeracy and Digital skills (LLND) assessment at enrolment. This helps us put the right support in place from the start. If you don't meet the entry requirements, we'll connect you with support services.

All students must be working in civil construction and hold a Construction Induction (White Card) before training starts.

FEES AND FUNDING

Jobs and Skills WA: This qualification is on the Jobs and Skills WA Fee free course list for 2026. Tuition fees are waived for eligible students enrolled through an apprenticeship. Eligibility conditions apply, and resource fees and other fees may still apply.

Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply, such as student services and resource fees.

View the indicative fees for funded courses: **ATM RTO Fees 2026**

Construction Training Fund: The CTF provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers. Grant payments are available for eligible employers, paid directly by the CTF. Visit ctf.wa.gov.au for more information.

WHY TRAIN WITH ATM

- **35+ years** delivering nationally recognised training in WA.
- **Experienced, industry-qualified** trainers.
- **Hands-on training** on real plant and equipment.
- **Small groups,** so every student gets time on the equipment.

UNITS OF COMPETENCY

RII30920

To obtain RII30920 Certificate III in Civil Construction (General) you need 25 units: 8 core and 17 elective.

Core units (8 required)

RIIBEF201E	Plan and organise work	**RIICCM201E**	Carry out measurements and calculations
RIICCM203E	Read and interpret plans and job specifications	**RIICOM201E**	Communicate in the workplace
RIISAM203E	Use hand and power tools	**RIISAM204E**	Operate small plant and equipment
RIIWHS201E	Work safely and follow WHS policies and procedures	**RIIRIS301E**	Apply risk management processes

Elective units (17 required)

All four units from Group YK (General: Utilities) must be selected.

The remaining units are chosen from Group Z (General and Other Units). Three of your selected units must be Certificate III level units (the unit code contains a 3 as its first number, for example BSBXTW301).

GROUP YK **RIICCM202E**	Identify, locate and protect underground services	GROUP YK **RIIHAN308F**	Load and unload plant
GROUP YK **RIIMPO320F**	Conduct civil construction excavator operations	GROUP YK **RIIWMG203E**	Drain and dewater civil construction sites
GROUP Z **BSBXTW301**	Work in a team	GROUP Z **CPCCLDG3001**	Licence to perform dogging
GROUP Z **CPCCLRG3001**	Licence to perform rigging basic level	GROUP Z **CPCCLSF2001**	Licence to erect, alter and dismantle scaffolding basic level
GROUP Z **RIICCM205F**	Carry out manual excavation	GROUP Z **RIICCM206E**	Support plant operations
GROUP Z **RIICCM207E**	Spread and compact materials manually	GROUP Z **RIICCM208E**	Carry out basic levelling
GROUP Z **RIIHAN309F**	Conduct telescopic materials handler operations	GROUP Z **RIIIMG301E**	Maintain site records
GROUP Z **RIIMPO318F**	Conduct civil construction skid steer loader operations	GROUP Z **RIIMPO334E**	Conduct skid steer loader operations using attachments
GROUP Z **RIIRIS202E**	Respond to site-based spills	GROUP Z **RIIWHS204E**	Work safely at heights
GROUP Z **TLILIC0003**	Licence to operate a forklift truck	GROUP Z **RIIWHS202E**	Enter and work in confined spaces

Please note: all 17 elective units must be chosen from the list above. ATM does not offer imported units for this qualification.

How do I apply for the apprenticeship?

Contact our traineeships team, or reach out to your closest Apprentice Connect Australia provider (australianapprenticeships.gov.au).
