RII30915 - Certificate III in Civil Construction (Road Construction and Maintenance Stream)

HOW IS THE COURSE MADE AVAILABLE?

The course is open for facilitated delivery by Australian Training Management Pty Ltd to both private individuals and corporate groups. It is made available to corporate clients through delivery by your internal trainers by arrangement under an RTO Partnering agreement.

Traineeship Pathways

Persons who are employed either full time or on a permanent part-time basis for a minimum of 20 hours per week can apply for this traineeship.

Available Funding and Incentives

Funding is available under the state based User Choice program. To take advantage of this funding employers should enrol new employees who have been employed for not more than 3 months under User Choice. Employees who have been employed for more than 3 months are classified as 'existing workers'. Employers can receive payroll tax exemptions for eligible new employee trainees.

Recognition of Prior Learning and Mutual Recognition

Recognition of Prior Learning (RPL) is also available to all trainees. RPL recognises skills and competency developed through work and life experiences. In addition to RPL, Australian Training Management Pty Ltd recognises the AQF Qualifications and/ or Statements of Attainment issued by any other Registered Training Organisation.

HOW DO I APPLY FOR THE TRAINEESHIP AND WHEN CAN I START?

Please contact Australian Training Management Pty Ltd for further information. Alternatively you should contact your nearest Australian Apprenticeship Support Network (AASN) or go to

<https://www.australianapprenticeships.gov.au/find-my-aasn/full-list>

Individual Units

The majority of these units are available as 'stand alone' or 'short' courses. Please contact Australian Training Management Pty Ltd for more information and pricing.

FUNDING

This traineeship program is eligible for funding to approved applicants through:

- ❖ Future Skills WA,
- ❖ Construction Training Fund (CTF) WA

FutureSkillsWA
Training for tomorrow's opportunities

The Construction Training Fund provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the Construction Training Fund in reducing the costs of training for eligible workers.

WHAT ARE THE REQUIREMENTS FOR ENTERING THE COURSE?

There are no mandatory minimum entry requirements for Core or Elective units.
