Shaun Thomson joins Australian Training Management Pty Ltd

The team at Australian Training Management Pty Ltd are very please to announce the appointment of Shaun Thomson as a fulltime employee trainer.

Shaun completed his Certificate IV in Training and Assessment with Australian Training Management Pty Ltd in February 2009. During his training it became abundantly evident that Shaun has the qualities needed to be an effective educator and encouraging mentor.

In addition to trade skills, Shaun has significant industry experience in civil construction. As an employee of Macmahon Pty Ltd, Shaun completed a Certificate III in Civil Construction Plant Operations, also with Australian Training Management Pty Ltd, whilst working on the Great Eastern Highway upgrade project in Sawyers Valley in 2005.

We are confident that Shaun will be of great assistance to all of our clients and welcome him to our team.
