Australian Training Management Pty Ltd Launches eLearning

Australian Training Management Pty Ltd is pleased to announce the introduction of eLearning programs to complement its' extensive range of face-to-face learning programs.

The first program on offer is the **Certificate IV in Occupational Health and Safety**.

Soon to follow are:

- Certificate IV in Frontline Management
- Certificate IV in Civil Construction Supervision, and
- Construction White Card

Utilising detailed and in-depth resources, this online course is thorough and will turn conscientious learners into a Safety Practitioner of the highest caliber.
