Australian Training Management Pty Ltd commences Karara Traineeships

Australian Training Management Pty Ltd is pleased to announce their appointment by Macmahon Contractors as the Registered Training Organisation (RTO) to deliver Certificate III traineeships for the Karara Rail project in Western Australia.

The 10 trainees are the first intake of local Indigenous for what is the largest resources project in the region, with Macmahon and its joint venture partner Yamatji JV Contracting having started work on the 80km railway for Karara Mining Limited (KML).

This is the 8th major civil construction project for which Macmahon Contractors has engaged Australian Training Management Pty Ltd as RTO for their civil traineeship training.
