Working at Height

AIM OF THE COURSE

The aim of this training is to impart to participants the necessary knowledge and skills to equip them to safely work at height. The course provides a blend of meaningful theoretical instruction with practical training based on simulated workplace situations to help participants understand the hierarchy of hazard control, the forces generated in falls, specific hazards such as pendulum effect, swing back and suspension trauma. It also covers the selection, inspection, application and maintenance of anchor points, harnesses, and other height safety equipment as well as addressing other height safety topics such as ladders, temporary scaffolds and working in elevated work platforms (not including WP certification).

COURSE CONTENT

This course is based on the requirements outlined in the Regulations, Codes of Practice and Standards applicable to any person required to work at heights for any reason and includes:

- Safe work systems and practices to prevent falls
- Identification of hazards, and assessing and addressing risks
- Selection, fitting, use, care and maintenance and storage of PPE
- Selection, use, care and storage of tools and equipment to be used
- Emergency response procedures; and
- Safe methods of working on brittle and fragile material.

DURATION

8 hrs

PREREQUISITES

There are no pre-requisites for attending the course

ACADEMIC AWARD AND RECOGNITION

Upon successful completion participants will be issued with one of the following Statements of Attainment which will be recognised nationally.

- RIIOHS204A Work safely at heights
- CPCCCM1006A Work safely at heights

WHAT TO WEAR

All course participants are required to wear appropriate work attire. Whilst closed in shoes are a minimum requirement for attendance on any course, steel capped safety boots are required for forklift, dogging, vehicle loading crane (hiab) and rigging courses.

WHEN TO ARRIVE

It will be helpful if you can arrive at least 15 minutes before the scheduled time as there are a few forms to fill in before the course.

MORNING TEA AND LUNCH

Feel free to grab a tea or coffee before the course starts and at any time during the course. Participants will be offered morning tea and lunch (an assortment of sandwiches and hot finger foods).

WHERE IS THE TRAINING CENTRE?

Our training centre is located in Midvale, just off Roe Highway.
