

# CERTIFICATE III in CIVIL CONSTRUCTION

## WHAT IS THIS TRAINEESHIP ABOUT?

**RII30909 - Certificate III in Civil Construction** reflects the role of a skilled operator working in civil construction, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team.

To obtain this qualification you will require 25 units:

- ❖ all 7 core units of competency
- ❖ eighteen (18) elective units

The selection of units for a typical traineeship is presented below.

## Traineeship Pathways

Persons who are employed either full time or on a permanent part-time basis for a minimum of 20 hours per week can apply for this traineeship.

## Available Funding

Funding is available under either the state based User Choice program, the federally funded 'Existing Worker' program or the Productivity Places Program. Employers can enrol new employees who have been employed for not more than 3 months under User Choice. Employees who have been employed for more than 3 months are classified as 'existing workers'.

### Recognition of Prior Learning and Mutual Recognition

Recognition of Prior Learning (RPL) is also available to all trainees. RPL recognises skills and competency developed through work and life experiences.

In addition to RPL, Australian Training Management Pty Ltd recognises the AQF Qualifications and/ or Statements of Attainment issued by any other Registered Training Organisation.

### HOW DO I APPLY FOR THE TRAINEESHIP AND WHEN CAN I START?

Please contact Australian Training Management Pty Ltd for further information. Alternatively you should contact your nearest Australian Apprentice Centre or go to

<http://www.det.wa.edu.au/apprenticentre/detcms/portal/>

### Individual Units

The majority of these units are available as 'stand alone' or 'short' courses. Please contact Australian Training Management Pty Ltd for more information and pricing.

### FUNDING

This traineeship program is eligible for funding to approved applicants through:

- ❖ Training WA,
- ❖ Department of Education, Employment and Workplace Relations (DEEWR)
- ❖ Construction Training Fund (CTF) WA

### WHAT ARE THE REQUIREMENTS FOR ENTERING THE COURSE?

There are no mandatory minimum entry requirements for Core or Elective units.

### ACADEMIC AWARD

RII30909 - Certificate III in Civil Construction

### RECOGNITION

Your qualifications will be recognised nationally.

### FEES AND CHARGES

For the agreed fee trainees will receive up to 12 half day on-site contact visits from our trainers and assessors over the term of their traineeship. This will be combined into 6 full day on-site contact visits for country clients. Additional fees and charges apply where a trainee requires additional contact time with our trainer due to individual learner needs, a lack of on-the-job learning opportunities, or on-site delays on the day of the scheduled visits. A cancellation fee equal to the full daily fee applies to scheduled contact visits unless a cancellation is made not less than 10 working days prior to the scheduled site visit. All kilometres travelled outside the metropolitan area will be charged at the prevailing rate. Travel time outside the metropolitan area will be charged. Accommodation charges will be applied as required.

### *Refunds and Appeals*

Refunds	Not applicable to funded traineeships.
Appeals	Appeals of assessment decisions can be appealed.
