

# Basic Worksite Traffic Management

## (MAIN ROADS WA BWTM)

### AIM OF THE COURSE

This course addresses the competency required to implement a traffic management plan for works on roads ensuring traffic flow is maintained and risk to the safety of the public and workers is minimised. *Basic Worksite Traffic Management* (BWTM) is designed to provide instruction on how to implement a Traffic Management Plan (TMP). This involves the placement of signs and delineators to manage the flow of traffic. This course will not teach you how to design a traffic management plan as that is the responsibility of holders of Advanced Worksite Traffic Management (AWTM) competencies.

### COURSE CONTENT

At the completion of the BWTM program you will have gained an understanding of the relevant State and Territory traffic management legislation and be able to demonstrate the required level of skills and knowledge in relation to;

- Requirements set down by the Manual for Uniform Traffic Control Devices
- Traffic management plans, signs and devices
- Site isolation and traffic control responsibilities and authorities
- Hazard identification, job safety analysis and safe work method statements
- Radio operations

### DURATION

Minimum 1 day for theory at our Midvale training centre or on site for corporate clients for 6 or more participants.

Note: As a result of attendance on the BWTM one day theory program successful participants will receive *provisional accreditation* (lasting 4 months) pending completion of a logbook of practical workplace assignments on 3 separate jobs:

- One minor road
- One main road
- One intersection

**Important  
note**

Candidates who are not working in the industry can attend an additional day of practical training to complete the 3 workplace exercises *at additional cost*.

### PREREQUISITES

Must have a drivers licence and basic English literacy skills

### ACADEMIC AWARD AND RECOGNITION

Upon receipt of a completed logbook the RTO will issue a Statement of Attainment along with MAIN ROADS WA accreditation.

### WHAT TO WEAR

All course participants are required to wear appropriate work attire to the Training Centre. Closed in shoes is the minimum requirement for attendance on courses.

### WHEN TO ARRIVE

It will be helpful if you can arrive at least 15 minutes before the scheduled time as there are a few forms to fill in before the course.

### WHERE IS THE TRAINING CENTRE?

Our training centre is located in Elliott Street Midvale, just off Roe Highway.
