

Track or Rubber Tyred Dozer

OPERATOR CERTIFICATION

AIM OF THE COURSE

The track dozer operator certification program provides information and guided practice that will equip experienced operators with the skills necessary to demonstrate competence to the minimum national certification standards (*NOHSC7019*) and to lay the foundation skills of new operators so that they can, in a safe manner, continue to improve their skills and proficiency whilst operating the machine.

The course is aligned to the nationally recognized unit *BCCPO3002B Conduct dozer operations* which specifies the outcomes required including planning and preparation for work, the conduct of operational checks, the safe and effective operation of the dozer for a range of mandatory and optional operational tasks and operator maintenance activities.

Please note: Rubber tyred dozer training is also available.
