

# Motor Grader

## OPERATOR CERTIFICATION

### AIM OF THE COURSE

The grader operator certification program provides information and guided practice that will equip experienced operators with the skills necessary to demonstrate competence to the minimum national certification standards (*NOHSC7019*) and to lay the foundation skills of new operators so that they can, in a safe manner, continue to improve their skills and proficiency whilst operating the machine.

The course is aligned to the nationally recognized unit *BCCPO3006B Conduct grader operations* which specifies the outcomes required including planning and preparation for work, the conduct of operational checks, the safe and effective operation of the grader for a range of mandatory and optional operational tasks and operator maintenance activities.

Please note: A separate course based on unit *BCCRC3007B Conduct road pavement construction* is also available.

### COURSE CONTENT

The program addresses the following:

- Planning and Preparing for Operations
- Pre- and Post Operational Checks
- Shut Down Procedures
