Confined Space Entry

WORK IN CONFINED SPACES

Course Code ATM013

AIM OF THE COURSE / TARGET GROUP

This course provides participants with the required skills and knowledge to enable them to safely enter and work in areas designated as a confined space. The course provides a blend of meaningful theoretical instruction with practical training based on simulated workplace situations. This course is suitable for anyone requiring to work in a confined space.

DURATION

8 hours *Please note: The course may be completed within a shorter or longer time frame depending on the experience of those in attendance*

COURSE CONTENT

This course is based on the requirements outlined in the Regulations, Codes of Practice and Standards applicable to any person entering a confined space and includes:

- Legislative requirements for confined space entry
- Hazards relating to working in confined spaces
- Confined Space Entry risk assessment
- Implementation of control measures as determined by the risk assessment process
- Confined space entry permits
- Roles and responsibilities of stand-by persons
- Emergency rescue procedures
