

Scaffolding (Intermediate Level)

HIGH RISK LICENCE

Course Code ATM029B

AIM OF THE COURSE / TARGET GROUP

This course provides participants with the required skills and knowledge to enable them to safely perform intermediate scaffolding work in a variety of situations in compliance with Work Safe WA Licencing Requirements, Industry Standards and OSH Regulations. Our course is aligned to the nationally recognised Unit **CPCCLSF3001 Licence to Erect, Alter and Dismantle Scaffolding Intermediate Level** which specifies the outcomes required to undertake intermediate scaffolding work. The Scaffolding work required will be the erecting, altering or dismantling of a temporary structure to support a platform from which a person or object could fall more than four metres.

DURATION

5 days *Please note: The course may be completed within a shorter or longer time frame depending on the experience of those in attendance*

COURSE CONTENT

The program addresses the following:

- Licensing, Regulations and Duty of Care Requirements
- Conduct Hazard Identification, Risk Assessment and Control Measure Implementation
- Equipment, Tool and Site Inspection
