Front End Loader Operator

RPL CERTIFICATION ASSESSMENT

Course Code ATM034

ON OUR MACHINE AT OUR TRAINING FACILITY | **ON SITE USING YOUR MACHINE**

AIM OF THE SERVICE/ TARGET GROUP

This Front End Loader Operator Recognition of Prior Learning (RPL) certification assessment service is to confirm competence of experienced operators who have the skills necessary to demonstrate competence at least to the minimum national certification standards ***(NOHSC7019)***.

This assessment is aligned to the nationally recognised units ***RIIMPO304E Conduct wheel loader operations*** and ***RIIMPO321F Conduct civil construction wheel loader operations*** which specify the outcomes required including planning and preparation for work, the conduct of operational checks, the safe and effective operation of the machine for a range of mandatory tasks, the fitting, use and removal of attachments and operator maintenance activities.

DURATION

2 - 4 hours

Important note

Please note: This is the nominal time allocated by Australian Training Management Pty Ltd to complete an RPL assessment of an experience operator. Assessment may be completed within a shorter or longer time frame depending on the experience of the candidate. More than 1 candidate may be able to be assessed in this time. Fees charged for time not per person.

ASSESSMENT CONTENT

The assessment addresses the following:

- Planning and preparing for operations
- Pre- and post-operational checks
- Shut down procedures
- Basic operating techniques
- Use of attachments
- Operator maintenance

This assessment only service is available for experienced operators for initial certificate issue and VoC's

ASSESSMENT METHOD

Knowledge based questionnaires and practical demonstration

PRE-REQUISITE FOR THIS SERVICE

Must have basic English literacy skills and significant operating experience.
If required by the employer or by the site management, or if required to drive the machine on a gazetted road, the candidate may require a Heavy Rigid (HR) Motor Vehicle Driver License.

ACADEMIC AWARD AND RECOGNITION

Upon successful completion participants will be issued with certification or statement of attainment for either of the following depending on the level of experience:

- NOHSC 7019 Certificate of Competence
- RIIMPO304E Conduct wheel loader operations
- RIIMPO321F Conduct civil construction wheel loader operations
